LADY LUCK STRIKES IN SELFRIDGE

Every time Robert Waliser buys lottery tickets he hopes Lady Luck will find him. Each week he goes back to the Farmers' Union Oil in Selfridge, where he purchases his tickets, to check the winning numbers.

Last Wednesday night, Waliser was struck by the lady – Lady Luck that is. His 2by2 ticket matched all four winning numbers, making him the winner of the \$20,000 Jackpot. This is the 15th 2by2 jackpot won by players in North Dakota since the game was launched on February 2nd.

"I'm in a Powerball pool at work, but I buy my own tickets for the other games," said Waliser. He also mentioned that he plays the games for the fun it creates. He enjoys teasing his wife, Sandra, that he "hit the big one." Waliser said this time, she didn't believe he really had won.

Waliser and his wife showed up at the Lottery headquarters this week to claim the prize. They plan to put the prize money to good use by investing in home improvements, paying bills and saving for retirement. As they were leaving, they mentioned they hoped to be back to collect on more lucky winning tickets.

To find daily game draw numbers, go to the games section on the North Dakota Lottery's website: <http://www.lottery.nd.gov> or have your tickets checked for winners at any participating lottery retailer.
